BOAT & ISLAND WEDDINGS ARE A VERY UNIQUE WAY
FOR VISITORS AND LOCAL COUPLES TO CELEBRATE
THEIR VOWS.

Florida Boat and Island Weddings

A sunset ceremony on your own private boat or island is a favorite of many couples. As you glide through the beautiful Clearwater Harbor from the marina in sparkling Clearwater, FL.

Weddings are great on the islands that dot Clearwater Bay.

We can arrange a complete wedding and reception on your own island. Arrive by wave runner or boat and depart by seaplane or helicopter. A steel island band will make the party perfect. The menu will include tropical dishes as well as local favorites. Any time is good for an island wedding. The weather is almost always perfect. Of course, weekdays are much quieter and more private.
